Dear Friends of VCACA,

Hi, my name is KeWana Brandon and I am one the recipients of the Thanksgiving baskets. I'm writing this letter to extend my warmest "thank you" to your organization. I am single mother of two little boys, Corey and Kalib. Words cannot express how grateful we are for your kindness. There are a lot of organizations that would have not considered offering my family such a special gift but your organization recognized a need and provided help. For this, I thank you! I hope that your holiday season is a special as you've made mine. May God bless you and yours!

Very Respectfully,

*KeWana M Brandon*
